

PHILIPPINES TRAINING UPDATE

On August 5, 2009 we had our first graduation of 70 trainers in the Philippines after 3 years of training. Before they even graduated, they have trained more than 900 others, led 1,300 people to Christ, and started nearly 300 new house churches.

In 2009, we had 70 graduates from 20 tribes on Mindanao. Currently there are more than 200 trainers, who train nearly 2,500 others for ministry in their tribes.

Pastor Ben and Ester Embaan have sacrificed so much for the tribal people of Mindanao. They gave me a plaque for my hard work, but I gave them one too!

Our Motto:

Every Church can be a Bible School

Pastor Salazar nearly died 6 months ago with a brain disease. We prayed and pooled our money for his family. Everyone thought he would die, but he walked with his wife in his own graduation. His children ushered him and his wife in.

Pastor Salazar is currently training 10 others in what he has been trained.

The Porcallia's were fantastic students who soaked up every teaching. They adopted our curriculum into their own Bible School and currently are training leaders from more than 20 churches and have started several new churches as well.

They are currently targeting ministry among families in rural tribal areas.

God made all the cultures of the world different. Antioch Institute in the Philippines has students in more than twenty tribes in Mindanao. We celebrate them all!

Please continue to PRAY for us as we continue to work hard for the sake of the Kingdom of God in the Philippines, Cambodia and many other countries.
